1.0 Call to Order

The meeting was called to order at 9:10 a.m. by Chair, Jerry Weber.

2.0 Agenda Changes and Announcements

Jerry Weber welcomed new committee member, Kelly O'Brien, from the Chicagoland Chamber of Commerce. Kelly is leading the Tri-State Alliance, which is focusing on the OECD Territorial Review.

3.0 Approval of the Minutes-September 25, 2012

The minutes of the September 25, 2012 meeting were approved, as presented.

3.0 Congestion Pricing: CMAP Staff

Jesse Elam provided an overview of a congestion pricing technical report and an interactive web microsite with an emphasis on how it is working elsewhere and how it will work on

the new expressway construction projects recommended by GO TO 2040. Jesse described the campaign CMAP is pursuing to help further the awareness and implementation of congestion pricing and committee members were asked to think of other groups that would be interested in hearing Jesse's presentation.

4.0 1871 Tour and Presentation, Kevin Willer, President and CEO of Chicagoland Entrepreneurial Center

Kevin Willard gave the committee a tour of 1871 and described the types of start-ups it houses and the programs and services it provides. The space has been extremely successful and shown there is significant demand for support services and space to house tech start-ups.

5.0 Cook County Council of Economic Advisors, Pat Carey

Committee member, Pat Carey, described the newly formed Cook County Council of Economic AdvisorsThe council was launched in the summer and is focused on obtaining input from business leaders and fostering collaboration. The group will focus on clusters, human capital, and innovation; TDL is the first cluster that will be targeted. This group includes many business leaders who are also involved in the World Business Chicago Jobs and Economic Growth Plan. The council's first meeting is the following week and will meet quarterly.

6.0 CMAP Manufacturing Drill-Down: CMAP Staff

CMAP staff, Garett Ballard-Rosa, presented an overview of CMAP's manufacturing cluster research. Garett described major trends and cluster composition, and the approach CMAP developed to determine how industries rank in terms of level of advancement. The committee asked several questions and proposed the idea of holding a summit to bring manufacturers together and garner their input and involvement.

4.0 Other Business

Committee Chair, Jerry Weber, suggested the idea to survey the committee to check-in and gather input on their ideas for future committee meetings.
